+ We double- and triple-source materials to provide solutions that help processors manufacture superior products at a cost-effective price point.

+ We offer more than 35,000 varieties of specialty, engineering and commodity thermoplastics from leading domestic and global suppliers.

+ We provide the quickest responses to quote requests in the industry. Call 800-23-CHASE or visit ChasePlastics.com to request a quote today!

+ For a complete listing of products offered, please contact your local sales representative.

Real solutions from real people

Your product doesn't start with resin, it starts with a vision. That's why we're committed to providing the insight, dedication, responsiveness and flexibility you need to turn resin into reality. From our industry-leading product line and value-added services, to the ability to forecast industry trends while anticipating your needs, we pride ourselves on our ability to be nimble, flexible and respond with a sense of urgency when you need us.

Contact our technical service help desk for answers to your technical questions or to request a sample.
