

Real solutions from real people

Your product doesn't start with resin, it starts with a vision. That's why we're committed to providing the insight, dedication, responsiveness and flexibility you need to turn resin into reality. From our industry-leading product line and value-added services, to the ability to forecast industry trends while anticipating your needs, we pride ourselves on our ability to be nimble, flexible and respond with a sense of urgency when you need us.

Contact our technical service help desk for answers to your technical questions or to request a sample.
