

Real solutions. Real automotive choice.

We understand that tomorrow's vehicles start with today's design. That's why we offer an expansive product line featuring 35,000+ specialty and engineered products geared around meeting your goals. With over 3 decades of automotive experience and ISO 9001:2015, QS 9000-, TS 16949- and A2LA-certified supplier testing facilities, we're driven to help you succeed.

Automotive applications developed with Chase Plastics' offered materials include, but are not limited to:

- | | |
|---|--|
| 1 Airbag cover - COPE, TPU | 12 Radiator end tank - PA 6/6 |
| 2 Console cover substrate - ABS | 13 Air intake manifold - PA 6/6 |
| 3 Cluster housing - PMMA | 14 Mirror assembly - mPPE, ASA, PARA |
| 4 Fuel filler door - mPPE, PBT | 15 Fuel pump components - PEEK, POM, PPS |
| 5 Exterior grille - ASA, PC Copolymer | 16 Rear lamp - PC, PC Copolymer, PMMA |
| 6 Glove box - ABS, PP | 17 Door/window seal - TPE, TPV |
| 7 Electrical headlamp lighting sockets - PEI, PESU, PPS | 18 Door handle - mPPO, PA, PC/PBT |
| 8 Fan and shroud - PA, PP | 19 Sill side molding - ABS/PA alloy |
| 9 Alternator components - PPS | 20 Window belt - ASA, PMMA |
| 10 Engine cover - PA 6, PA 6/6 | 21 Brake system components - PEEK, PESU, PPS |
| 11 Water pump housing - PPA | 22 Bumper cover - TPO |
| | 23 Headlamp bezel - PBT, PC Copolymer, PEI, PESU |

Slash cost, weight, and processing time

Our technical experts can provide insight into our vast portfolio of products that not only help you reduce cost, weight and time, but meet industry and quality standards.

Call 800-232-4273 to learn more!

Putting you in the driver's seat

With an unrivaled portfolio featuring double- and triple-sourced OEM approved products, we can help create customized solutions to meet lightweighting, sustainability, emission standards and more. Backed by our network of strategically located warehouses and expedited shipping capabilities, we're ready to accelerate your success.
